IL RAGIONIERE GENERALE

**OGGETTO: Individuazione dei nuovi tumoli a cielo aperto siti nel Cimitero di via Acquicella nelle aree di cui al provvedimento prot. 05/316 del 11.10.2010**

## **IL DIRIGENTE**

### **Richiamato :**

- il provvedimento dirigenziale prot.n. 05/316 del 11.10.2010 col quale si è provveduto all'individuazione, nel Cimitero di via Acquicella, di due nuove aree da destinare a "tumulazione a cielo aperto"

### **Considerato che:**

- le due aree individuate dal provvedimento prot. n. 05/316 del 2010 sono state visualizzate, nella planimetria con le lettere A e B;
- per facilità di individuazione ed assegnazione, è opportuno denominare le due aree A e B come "Riquadro S.Francesco d'Assisi";
- per l'assegnazione di ogni tumolo oltre l'individuazione del riquadro dovrà essere individuata anche la fila numerica e la colonna alfabetica, così come meglio specificate nell'allegata planimetria.

### **Tenuto conto che:**

- le aree per la realizzazione dei suddetti tumoli non sono in grado di soddisfare le richieste dell'utenza cittadina
- per l'esiguità dell'area a disposizione la concessione per la "tumulazione a cielo aperto", debbano essere assegnate un massimo di mq 3,00.

### **Occorre che**

- l'assegnazione delle aree si potrà effettuare solo per le salme in deposito;

## **DISPONE**

- di approvare l'allegata planimetria con la suddivisione in file numeriche e colonne alfabetiche delle aree individuate dal provvedimento prot. 05/316 del 11.10.2010, che d'ora in poi saranno denominati "Riquadro S.Francesco";
- che l'assegnazione delle aree si potrà effettuare solo per le salme in deposito;

il presente provvedimento non comporta spesa per l'Amministrazione.  
Pubblicare il presente atto all'albo pretorio e nel sito Web dell'Ente
